Population Pyramid

Push/Pull Factors
Death Rate
Immigration
Cohort
Demographic Transition Model
China's One-Child Policy

1. Agree or disagree: "The earth is doomed to an overpopulation catastrophe."
 2. Agree or disagree: "China's one-child policy has been a success."
 3. What important roles do human geographers make in the world around us? Discuss two past incidents where you feel human geographers made a difference.
-

Poverty and Relief

UNICEF
Pandemic

WHO
Poverty Cycle

1. What foreign aid does Canada send to developing countries? Do we do enough? In your opinion, what should be done?
 2. What are the different steps in the poverty cycle, and describe where and how aid workers should jump in to break the cycle.
 3. Discuss the following quotation: "While Canada has one of the highest standards of living in the world, at the turn of the twenty-first century, fully 20 per cent of all Canadians were living in poverty."
-

Urbanization and Economics

Urbanization
Primary Industries
Tertiary Industries

Sustainable City
Secondary Industries
Quaternary Industries

1. Why include the environment when measuring the economic wealth of a country?
 2. What are some various examples of economic growth in Canada at four different industrial levels?
-

Environment

Greenhouse Effect
Kyoto Accord
Desertification

CFC's
"Clean" Energy
Globalization

1. Draw and label a simple diagram to show how the greenhouse effect works.
2. Discuss why a few of the richest countries in the world have not ratified the Kyoto Accord?
