

Step 1:

Leadership

Follow the steps below and use an 11 x 17 piece of paper:

- Choose a popular and influential athlete from any sport around the world
- Create a detailed spider map for this athlete surrounding leadership
- Include things like leadership skills, qualities, and characteristics.

** Once your web is completed then see your teacher for the next step **

Step 2:

Leadership

Now take all the information from your fully developed web and create a Word document or Google Document:

- Your popular and influential athlete that you selected
- Include their leadership skills, qualities, and characteristics.
 - chunk each section so that you can access this information for next day
- Next find images of your athlete and any other images that pertain to leadership
 - clear pictures that have no watermarks
